

**TOWING AND RECOVERY ASSOCIATION OF AMERICA  
LEGAL ACTION FUND**

The Towing and Recovery Association of America has launched a “Donate to Legal Action Campaign”. We have formed an action network of TRAA members to help defend the rights of the towing industry through contributions of monetary donations, but we need help from all towers. State and Federal regulations in the transportation arena are changing daily and may impact the towing and recovery industry. Should this happen, “with your support”, we can afford to obtain legal counsel to protect the industry if necessary.

**PROTECT YOUR RIGHTS; TRAA IS ON YOUR SIDE!**

**L**EGAL defense will protect and challenge difficult issues to secure the future of the towing industry.

**A**CTION will advocate, and encourage towers to speak up, be heard and become the supporting voice of the towing community.

**F**UND with donations to establish a strong defense and raise awareness to an important cause.
