### TIM TRAINING PROGRAM FOR ENTRY LEVEL TOWERS

What is a traffic incident? What is the MUTCD? Who are emergency responders? Who is in charge at the scene? These and many more questions are addressed in the new PowerPoint CD written by TRAA. This is a "second generation" of TIMTOW in that it takes the information from TIMTOW and adds new approaches to TIM and combines them into a training CD specifically written for entry level towers. Price \$20.00

## Publications

**The Municipal Towing Guide** is an effort by TRAA to support state associations and governmental agencies in implementing or refining programs for various types of roadside assistance and towing activities. The Guide is generic in nature and is designed to help municipalities to tailor their towing programs to meet their particular needs.

### FREE DOWNLOAD
